## Urban Fishing Tips

### Remember, A Good Angler:

- respects the rights of other anglers and outdoor recreationists
- keeps shorelines clean by not littering and picking up after others
- keeps only the fish they can use and carefully releases all other fish
- follows park rules and fishing regulations
- carries a California fishing license when fishing if they are 16 or older
- reports water polluters or poachers to park rangers, wardens or by calling CalTIP at 1(800)952-5400

This program is supported through a special Federal excise tax on the sales of fishing tackle and motorboat fuel to improve your fishing and boating opportunities.
